REVENUE BOARD'S OFFICE,
Madras,
th November 1881.(Signed) E. GIBSON
Acting Sub-Secretary.

No. 669.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th March 1882.

Read the following papers :—

Proceedings of the Madras Government, Financial Department, dated 23rd January 1882, No. 140.

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget Estimate of the Canara Circle for 1882-83.

From J. STURROCK, Esq., President of the Local Fund Board, Canara Circle, to the Secretary to the Board of Revenue, dated Mangalore, 14th January 1882, No. 59.

ABSTRACT.—Submitting the details of the Educational portion of the Local Fund Budget for the year 1882-83 and requesting to obtain the sanction of Government for the reduction of the Middle Schools at Bantval and Puttur.

From the same Officer, dated Mangalore, 4th February 1882, No. 147.

WITH reference to paragraph 2 of the Proceedings of the Board of Revenue, dated the 18th November 1881, No. 2863, I have the honor to state that at the time the annual report on the administration of Local Funds and the Budget Estimates were submitted the Accountant-General had not communicated the transfer to Local Funds of the amount of contribution from the Canal and Ferry Funds for the year 1879-80, viz., Rs. 14,769-10-1.

2. The arrears paid under Inspection alluded to in paragraph 3 of the Proceedings were the pay of the Inspecting Schoolmasters for the month of February and their allowances for the months of December, January, February, and March 1880.

3. The large decrease in the amount of School Fees remarked upon in paragraph 5 is the result of the proposal to close the Middle-Class Schools at Bantval and Puttur mentioned in my letter, No. 59, of the 14th ultimo, covering the Educational portion of the ensuing year's Budget.

From W. R. CORNISH, Esq., F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, Financial Department, dated Fort St. George, 8th February 1882, No. 48.

WITH reference to the remarks, concerned "Medical," in paragraph 4 of the marginally-noted Order,* I have the honor to state, for the information of Government, that the provision made for the three-fourths of the salary and allowance of the medical subordinates attached to the marginally-noted† three dispensaries referred to in paragraph 8 of the Revenue Board's Proceedings and recorded in the Government Order alluded to was sufficient and correct, and hence there was no necessity to pass any remark in my letter, No. 6249, of 28th October 1881, to the Board of Revenue.

2. A copy of this office letter, No. 6255, of 28th October 1881, to the Board of Revenue requesting to make necessary alterations in the pay of medical subordinates after the receipt of sanction of Government is enclosed.

No. 786.

TRUE copy forwarded to the Secretary, Board of Revenue.

(Signed) A. J. STURMER, Surgeon,
Secy., Surgn.-Genl. with the Govt. of Madras.

THE Local Fund Budget of the Canara Circle for 1882-83 will be printed and circulated to all officers concerned.

2. *Paragraph 4 of the Government Order.*—The enhanced provision made for the Local Fund Engineering Establishment is explained by the President in paragraph 21 of his letter giving cover to the Budget, which will now be submitted for the information of Government. Details of the Educational grant are given in the President's first letter read at head, but no reason is assigned for the omission to make any provision for the school at Gurpur. The sanction of Government is requested for the conversion of the two Middle Class Schools at Bantvál and Puttúr into Combined-system Schools. The President will explain more fully the necessity for the retention of the two peons in these schools. The commission on sale-proceeds of books should be Rs. 120, not Rs. 30 entered by the President, with reference to the receipts expected from sale of books. The former amount will be entered, a corresponding reduction being made in the amount provided for Result Grants.

3. *Paragraph 5 of the Government Order.*—Regarding the suggestion of Government that the Ferry Rents should be credited to the General Fund, the Board beg to observe that the amount being the contribution from the Canal and Ferry Fund sanctioned in G.O., dated 3rd December 1881, No. 1861, Revenue Department, it cannot be applied to other than Communications under Act IV of 1878 (Madras). In these circumstances the Board would respectfully recommend that an annual grant equal to the receipts from Ferries might be made to this circle from Provincial Funds.

(True Copies and Extract.)

" Director of Public Instruction. with copy of Government Order.
