GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—letter from the Under Secretary to Government, Public, &c., Departments, dated 20th January 1882.

READ—the following certificate and report from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Under Secretary to Government, Pension Department, dated Fort St. George, 11th February 1882, No. A.D.J.-454 :—

Certified that qualifying service in superior grades has been duly proved for twenty-five years, four months, and three days, and that a superannuation pension not exceeding Rs. 45 per mensem, equal to half average emoluments, is admissible under Sections 106, 109 (c), and 111 of the Civil Pension Code, 5th Edition. The calculations have been duly verified. In accordance with Rule 4 under Section 130, the attention of Government is respectfully solicited to Section 65 of the Code.

2. It will be seen from the history of service and from the remarks by the Under Secretary to Government in charge of Government Press, recorded opposite to No. 5 on the third page of the application, that the applicant was granted leave on medical certificate even after attainment of the age of fifty-five years. The grant of such leave is apparently opposed to the provision of Section 45 of the Civil Leave Code, which were first promulgated in September 1875. The amount of absentee allowances overpaid is Rs. 244-10-10 as detailed in the memorandum furnished by the Superintendent, Government Press, accompanying. It rests with Government to decide, with reference to their observations in G.O., No. 1329, dated 8th December 1881, whether the overdrawal should be recovered from the applicant, and, if so, in what way.

ORDER—dated 15th March 1882, No. 239, Pension.

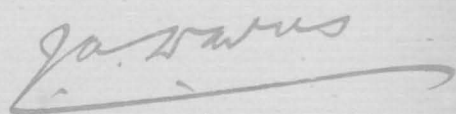

Under Sections 106, 109 (c), and 111 of the Civil Pension Code (5th Edition), the Right Honorable the Governor in Council is pleased to grant to Mr. James Tulloch, late Examiner, Government Press, a superannuation pension of Rs. (45) forty-five per mensem, payable at Madras from 1st December 1881, in consideration of his qualifying superior service of twenty-five years, four months, and three days.

2. No recovery need now be made on account of the allowances drawn by the applicant when on sick leave since 1876, for, though the leave was irregular, it was granted by his superior authority and the allowances were passed at the time. In view however of this and other late cases that have been brought to the notice of Government where leave with allowances, other than privilege or special leave, has been granted to officers of over fifty-five years of age, the attention of all Heads of Offices is specially drawn to Section 45 of the Civil Leave Code, and the Government

desire it to be understood that, if in future the rule is contravened, they will have no other course than to order the recovery of allowances drawn on the grant of any such irregular leave.
