READ—the following letter from Colonel W. M. LEES, Officiating Secretary to the Government of India, Military (Marine) Department, to the Chief Secretary to Government, dated Fort William, the 17th March 1882, No. 453:—

I am directed to observe, for the information of the Government of Madras, that considerable inconvenience is experienced when the Government of India are called upon by means of urgent and pressing applications to order the execution of any coast survey after the annual programme of work for the Indian Marine Survey Department has been already considered and laid down. I am therefore to state that the Government of India will be glad if the proposals for any work that the Government of Madras may desire to have undertaken were submitted to this office before the end of July in each year, about which time the surveying programme is decided on.

To the Secretary to the Government of Bombay,

To the Secretary to the Government of Bengal,

Copies forwarded to—

The Superintendent of Marine Surveys, for

The Director of the Indian Marine, for

ORDER—dated 30th March 1882, No. 78, Marine.

READ—the following papers :—

From N. St. B. BEARDMORE, Esq., C.E., Assoc.M.Inst., C.E., Acting Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 23rd June 1884, No. 11 W.

I have the honor respectfully to inquire if I may be gazetted Acting Superintendent of the Madras Harbour Works, and be allowed to draw acting allowance. I was gazetted and allowed to do this for 13 months in 1882-83, when Mr. Thorowgood was previously absent in England, and also when I was acting for about 4 months in 1876 ; though it was not gazetted, I believe, then, but the extra amount was paid to me under a special Government order subsequently.

Office note from the Examiner, Public Works Accounts, dated 1st July 1884, No. 240.

ORDER—dated 18th September 1884, No. 2303 W., Public Works.

Mr. Thorowgood, Superintendent of the Harbour Works, is on duty, and draws the full pay of the appointment. There is no saving from which to meet an acting allowance to Mr. Beardmore, whose application cannot be complied with.

Office Note from the Examiner of Accounts No 1304 of 29-3-82.

FOR ORDERS.

In his Office Note No
1304 of 29th March the Examiner
of Accounts states that

(a) the question of the appointment
of Mr. Beardmore to act
for Mr. Shorwood and
(b) his acting allowances
will have to be settled
by the Secretary of State.

The grounds on which the
intervention of the Home
Government is considered
necessary are not stated,
but it appears to the
Secretary that the Madras

assumption that
the total sanctioned
charge for the post
will not be exceeded

Government are quite competent
to fill up an acting appointment
of this kind and to sanction
the ordinary acting allowances
admissible by rule.

There is no question of a
new appointment - the post
being one already sanctioned.
While if the ordinary deputation
allowance admissible to Govt
officers generally in similar
cases be not exceeded there
will apparently be nothing
calling for notice from the
Account Dept.

Should these views be
concurred in, the annexed
draft order may issue.
