2. The estimate of charges, amounting to Rs. 1,94,060, provides for seven works to be executed by the Public Works Department at a cost of Rs. 81,659,\* eleven works to be carried out departmentally at a cost of Rs. 69,945, and a reserve of Rs. 20,000 for minor works.

4. It is observed that the balance in hand to the credit of the fund on the 31st March 1881 amounted to Rs. 1,37,712, and the account will apparently stand as shown in the margin. The Inspector-General should have exhibited this clearly in his letter, and should have submitted a regular estimate for the current year.

4. It is observed that the balance in hand to the credit of the fund on the 31st March 1881 amounted to Rs. 1,37,712, and the account will apparently stand as shown in the margin. The Inspector-General should have exhibited this clearly in his letter, and should have submitted a regular estimate for the current year.
