LETTER to the Most Honorable
the Secretary of State for
India.

Dated 18th April,

No. $\frac{16}{952}$ W. of 1882.

LAST PAY CERTIFICATE of Mr. George Brown,
Deputy Examiner of Public Works Accounts.

Scriveners Palay 952
3

Name George Brown Esquire
Age 53 years.
Rank Deputy Examiner P. W. Accounts
Temperament Bilious.
Habit of body Full.
Habits Temperate
Service nearly 8 years
Service in India. About 20 years

This officer during his four years residence in Madras has frequently come under my treatment for attacks of gout and still more frequently for Chronic Bronchitis. About two months ago he first complained of being unable to sign official papers in the office; suddenly lost power over his pen and simply could not write his name. This frightened him very much and produced other sensations that were of no great importance in connection with those of incipient Scriveners palsy. I ordered Strychnine and Galvanism and as these did little good, I recommended change of air and he accordingly obtained

one month's leave to Bangalore
where he continued taking a pre-
paration of the Calaba bean.

I had subsequently ordered him
on his return to duty he had
so far recovered, as to be only
occasionally attacked by the
palsy, but since then the old
symptoms are returning - not-
withstanding the continuance of
the medicine and I am of opinion
that a longer rest from work with
change of air is necessary for
complete recovery and I accordingly
grant the following certificate -

I Alexander Porter M.D.

F.R.C.S. Surgeon of the 4th District
do hereby certify that George Brown Esq.
of the Unconquered Service is in
a bad state of health and I solemn-
ly and sincerely declare that
according to the best of my
judgment a change of air is

essentially necessary to his
recovery and do therefore recommend
that he may be permitted to
proceed to Europe for a period
of six months leaving India
by 15th April at latest -

(Signed) A. Porter M.D. F.R.C.S.
Surgeon 4th District.
