Madam
3 April 82

My Dear Colonel Beatty.

Thank you for showing me the recent order of Government regarding the rooms in the Palace occupied by Gentlemen of the Bar and the Government Vakil.

As I told you at the time, the Government seem to be under a misapprehension as to the terms on which these rooms are occupied. I found that part of the Palace in a very dirty state and little better than a latrine. I therefore arranged with Mr. Pole and the officer of your Department in charge of the Palace (I believe Major Vibart) that one room should be at once completed at Mr. Pole's expense, on the understanding that it should occupy the room, until it might be otherwise required, and then move out on receipt of the money which he had advanced. A somewhat similar arrangement was afterwards made with the Government Vakil. I now understand that Mr. Fischer has also been allowed a room, but that his request led to a reference to Government, which has resulted in an order under which you consider yourself bound to give these Gentlemen a year's notice and to throw 2 or 3 of these rooms into one as a general room for the Bar.

I trust that after reading this letter you will not take any step of the kind for the present.

In the first place a year's notice is utterly unnecessary.

Sir

Yours most obedient servant.

L. Beatty. Col. R. S.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

7th February 1882, No. 336 W.

Civil Works.

Read the following paper :—

No. 26. From Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 21st January 1882, No. 163 M.D.

THE Officiating Executive Engineer, Madura, has brought to notice that two of the rooms in the Tirumal Naick's palace are at present occupied by Barristers practising in the Civil Court of Madura.

Executive Engineer's letter (copy), dated 16th November 1881, No. 73.

Madura Sub-division Officer's, dated 10th December 1881, No. 559, with three copies of correspondence.

Copy of Executive Engineer's, dated 9th January 1882, No. 357.

2. These gentlemen were, apparently, allowed to occupy the rooms by officers of this department (without reference to higher authority) on paying the cost of certain fixtures, such as partition walls,

and on condition of a refund of the amount being made them in the event of their being called on to vacate the rooms. They pay no rent.

3. This arrangement being contrary to the Code Rules, I have the honor to request permission to refund the sums paid (200 rupees in the one case and 400 rupees in the other), and to require these gentlemen to pay rent in future for the rooms they occupy, and to be prepared to vacate at a month's notice in the event of the rooms being required for a Government purpose.

4. I send the Executive Engineer's letters for your perusal.

No. 27. ORDER THEREON, 7th February 1882, No. 336 W.

THE proposals of the Superintending Engineer are approved.

2. The amounts required for repayment on account of the partition will be met from the Reserve of 1882-83.

3. The Government have no objection to a room being set apart for general use by pleaders or vakeels attending the Courts, or to afford such facilities to the gentlemen in question as may be necessary, but they must altogether decline to permit private persons to acquire exclusive possession of any of the rooms. The Superintending Engineer will therefore, after discharging the claims now under disposal, give notice to the present occupants that they must be prepared to vacate the rooms in question within a year from the date of such notice, and he will further take measures for preventing the recurrence of any such unauthorised arrangements.
