

GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

4th April 1882, No. 1614.

Commissariat Department—Machinery.

Read the following papers:—

No. 55. *From Colonel R. A. MOORE, Acting Commissary-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Madras, 20th March 1882, No. 10808.*

The Executive Commissariat Officer, Madras, having reported that the donkey engine in use at the bakery was likely to become unserviceable in about six months and that no spare engine is available either from the Public Works Department or from the Gun Carriage Factory, I directed him to ascertain at what cost and in what time a donkey engine could be made for the bakery at the Department of Public Works Workshops, and to make similar inquiry of the Napier Iron Works.

2. The General Superintendent of Public Works Stores reports that a donkey engine could be made up by him in about ten weeks at a cost of about Rs. 800, while Messrs. Massey and Co. of the Napier Iron Works say they are prepared to supply one in about the same time, viz., ten weeks, at Rs. 560.

3. I request I may be favored with the orders of Government as to whether the engine is to be made up by Department of Public Works, or procured from the Napier Iron Works.

No. 56. *With report from the Controller of Mily. Accounts, 22nd March 1882, B.*

No. 57. ORDER THEREON, 4th April 1882, No. 1614.

The donkey engine will be made up in the Department of Public Works Workshop, but the attention of the Public Works Department will be drawn to the price at which the engine can be obtained from the Napier Iron Works.

GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

4th April 1882, No. 1614.

Commissariat Department—Machinery.

Read the following papers:—

No. 55. From Colonel R. A. MOORE, Acting Commissary-General, to Colonel
E. L. HANKIN, Acting Secretary to Government, Military Department;
dated Madras, 20th March 1882, No. 10808.

The Executive Commissariat Officer, Madras, having reported that the donkey
engine in use at the bakery was likely to become unserviceable in about six
months and that no spare engine is available either from the Public Works
Department or from the Gun Carriage Factory, I directed him to ascertain at what
cost and in what time a donkey engine could be made for the bakery at the
Department of Public Works Workshops, and to make similar inquiry of the Napier
Iron Works.

2. The General Superintendent of Public Works Stores reports that a donkey
engine could be made up by him in about ten weeks at a cost of about Rs. 800,
while Messrs. Massey and Co. of the Napier Iron Works say they are prepared
to supply one in about the same time, viz., ten weeks, at Rs. 560.

3. I request I may be favored with the orders of Government as to whether
the engine is to be made up by Department of Public Works, or procured from the
Napier Iron Works.

No. 56. With report from the Controller of Mily. Accounts, 22nd March 1882, B.

No. 57. ORDER THEREON, 4th April 1882, No. 1614.

The donkey engine will be made up in the Department of Public Works Work-
shop, but the attention of the Public Works Department will be drawn to the
price at which the engine can be obtained from the Napier Iron Works.
