GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

No. 59.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 6th April 1882, No. 39 T.C. :—

I have the honor to inform you that there are four cemeteries at Trichinopoly, not under the charge of the Chaplain but in the care of Missionaries. These cemeteries are out of repair, and as they contain the graves of many European officers and others in the service of Government, the Executive Engineer has estimated for their repair as follow :—

|                          | RS. |
|--------------------------|-----|
| Trichinopoly Fort ... .. | 200 |
| Davadanam ... ..         | 180 |
| Oorayoor ... ..          | 82  |
| Chintamony ... ..        | 130 |
| Total ... ..             | 592 |

2. The Executive Engineer also observes that if Government does not repair them, there is little prospect of any one else doing so. I have therefore the honor to request that a grant of Rs. 600 be made for this purpose.

No. 60.

ORDER—dated 22nd April 1882, No. 995 W., Public Works.

The proposal to repair the cemeteries in question at Government expense is approved. The cost will be met from the repair allotment to the Trichinopoly Division under Civil Buildings.
