GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from the Venerable G. WARLOW, M.A., Archdeacon of Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 20th March 1883, No. 660 :—

I have the honor to forward, for the favorable consideration of Government, an application from the Chaplain and Lay Trustees of St. Mary's Church, Fort St. George, for a supply of improved lighting apparatus to be supplied by Messrs. Orr and Sons at a cost of Rs. 815.

2. The Fort Church is one of the worst lighted churches in Madras. The old oil-burners are still used; and at times the soldiers must find it difficult to read the small print regulation prayer book by the very meagre light afforded them.

3. I believe the difficulty has been very carefully looked into by the Chaplain, and I venture to recommend the present proposal as calculated to remedy the present defects at a very moderate cost.

No. 660.

Approved and transferred to the Public Works Department.

22nd March 1883.

(Signed) C. G. MASTER,
Chief Secretary.
