2.1.

I am vigorously  
pressing on the work  
in my office in order  
to obtain the very  
early completion  
of the Palan System  
Revised Estimates.

A good deal of writing  
& copying is thereby  
rendered necessary  
for which the present  
allowance of one  
Clerk is not quite  
sufficient. I therefore  
request permission  
to retain temporarily  
the services of a copyist  
on Rs 15 per mensem.  
The present establish-  
ment of my office  
entails a monthly  
cost of Rs 163/-, as  
detailed below, as  
against a sanctioned  
scale of Rs 255/8 per  
mensem as entered

\* for one month

in the accompanying  
P.M.G. so that is  
ample margin for  
the proposed increase.  
Anticipating your  
approval, I propose  
therefore to make  
the appt. at once.
