SIR,

I have the honor to request you will be good enough to obtain the sanction of Government for an allotment of Rs. 80 from the current year's Budget grant for Temporary Establishment to meet the salaries of 3 temporary lascars employed under the off^r Executive Engineer A. Project Division.

2. It appears from the Executive Engineer's explanation in the salary Disallowance list No. 296 of 1882-83 that the above establishment was entertained

on the strength of para 9 of the Examiner's letter No. 10 S. E. 1st dated 4th April 1882; but the Examiner now states that para 9 of his letter above quoted was not intended to convey authority for entertainment of lascars, but merely suggested a source from which the appointments could be met, & that the charge has been provisionally admitted

3 Lascars from 8th June 1882 to 30th September 1882 Rs 72-4-0 or Rs 80 in round sum.

the three additional lascars required by you may be entertained against the 45 lascars provided in the Provincial Budget to meet contingencies.
