READ—the following paper:—

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 26th March 1883, G. No. 1048.

In my letter recorded in the Proceedings of Government, Judicial Department, No. 1487, dated the 26th July 1881, I brought to notice that the accommodation provided for the Sub-Registrar's Office at Palladam, in the Coimbatore District, was unsuitable, and the Government were pleased to sanction the preparation of plan and estimate for a new building. Since then it has been suggested that, as the Taluk Cutcherry will be removed from Palladam to Tirupúr, a portion of the new Cutcherry might be utilized for the Sub-Registry Office. It is, however, not known when the removal of the Cutcherry will take place. It might not be for many years hence, and, as much inconvenience is experienced at present by the Sub-Registrar for want of sufficient accommodation, it is proposed to rent a school building belonging to the London Mission Society, a few yards distant from the Cutcherry and on the main road to Tirupúr, and to remove the Sub-Registry Office into it. I have the honor, accordingly, to request that the sanction of the Government may be obtained for the payment of a monthly rent of Rs. 5, and for the employment of a night watchman and sweeper on Rs. 5, with effect from the 1st April 1883.

ORDER—dated 2nd April 1883, No. 935, Judicial.

Sanction is accorded to the recommendations made at the close of the letter, but opportunity should be taken on the removal of the Taluk Cutcherry to utilize the building at Palladam, if not required by the Revenue Department.
