READ—the following letter from R. G. MACDONALD, Esq., Acting Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 3rd March 1883, No. 185 W. :—

With reference to paragraph 2 of G.O., No. 2986 W., of 13th November 1882, I have the honor to bring to your notice that no orders have yet been received from the Financial Department for the transfer of the grant of Rs. 1,302 to the credit of the Public Works Department on account of improvements to the Government Middle School-house at Tirupatūr.

2. It will be too late to include the grant now in the books of this office (even should it transpire that the required transfer was made but not communicated), as the figures for the Regular Estimate for 1882-83 have been already communicated to the Accountant-General, Public Works Department, and my object in now addressing you is to obtain authority to pass the outlay on the work in the absence of a regular appropriation.
