GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 123.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, Fort St. George, dated Trichinopoly, 11th January 1883, No. 4:—

I have the honor to submit, for the sanction of Government, the accompanying estimate, amounting to Rs. 10,104, for repairs to the buildings in the Central Jail at Vellore.

2. Major McLeod, the Superintendent, states that beyond the renewal by this department of some tiles to the various barracks from time to time, no repairs have been carried out to the roofs since the erection of the buildings, and there is no doubt that the work is much needed.

3. I have struck out the item, Rs. 1,750, for "flooring of wells;" this is probably a mistake for "bathing cisterns," as wells do not exist in all the yards, but as in either case the work is not at present very necessary this item may be omitted.

4. The painting of the doors and windows, for which provision has been made, can be carried out with convict labor by this department, but the other works must be executed by free labor or by means of the Public Works Department, as there is not a sufficient number of skilled workmen in the jail to execute such extensive repairs with the rapidity which is necessary.

5. The amount required for these repairs can be provided from the Convict Labor Fund.

Mis. No. 156.

Approved and transferred to the Public Works Department.

(Signed) M. HAMMICK,
Acting Assistant Secretary.
