Civil Works

READ—the following letter from J. B. PENNINGTON, Esq., Collector of Tinnevely, to the Secretary to Government, Public Works Department, dated Tinnevely, 7th April 1883, No. 235:—

With reference to G.Os., Nos. 2140 W. and 766, dated 19th August 1882 and 15th March 1883, respectively, I have the honor to suggest that the hospital buildings (No. 6 in the list) should now be utilized by the Executive Engineer as an office; that No. 7 should be sold as a dwelling-house with out-houses complete, as it would be inconvenient to have the forest officer so far away from the Collector's Cutcherry; that No. 1 should be offered to the Municipal Commissioners as an office, and that Nos. 2 and 3 should be sold, if the Government do not intend to insist on the removal of the Police Office to Palamcottah.

ORDER—dated 12th April 1883, No. 1990 W., Public Works.

Communicated with advertence to G.O., No. 2140 W., dated 19th August 1882, to the Judicial and Revenue Departments for orders on the points raised with regard to the Police and Forest Offices.
