2. The circumstances in which Professor Lawson has been appointed are detailed in Mr. Thiselton Dyer's letter printed in the order read above, and in view of the nature of the duties which Mr. Lawson will be called on to perform and of the approaching visit of Dr. Trimen to the Nilgiri Plantations, the Right Honorable the Governor in Council considers it desirable that, before taking up his appointment, he should make himself acquainted with the main features of Ceylon quinology. To this end the Government of Ceylon will be addressed, and in the event of the proposed visit being made, Dr. Trimen's actual expenses will be defrayed by this Government. Dr. Bidie should, if possible, arrange to participate in the proposed inspection and conference.
