Resolution in the Department of Finance and Commerce, No. 2079, dated 31st July 1879.

RESOLUTION.—In paragraph 3 of this Resolution it was announced that the Government of India was not in a position to state the measures that would be taken to reduce the departmental staff of officers of Royal Engineers.

2. Her Majesty's Government has decided that officers of the Royal Engineers for whom there is no available employment in the Public Works Department, must either take special leave and await an opening for re-employment, or revert to military duty.

3. Local Governments and Administrations are, therefore, directed to forward to the Government of India in the Public Works Department, the names of all Royal Engineer officers for whom they have no further employment, intimating at the same time the wishes of the officers in regard to leave or reversion to military duty.

4. The conditions of the special leave of absence are as follows:—

- (1) This leave will in the first instance extend to two years.
- (2) Officers who are granted this special leave, in case of their leaving India, must go and return at their own expense, unless called upon to return before the expiry of the period of leave, when their return passage will be provided.
- (3) The allowances of an officer on special leave will be those he would receive if he went on furlough, when furlough was due to him.
- (4) The special leave may be taken in continuation of any other leave except privilege leave, which must be commuted into special leave.
- (5) The special leave on the pay specified in clause 3 will count as service in every respect except that, in the case of the Imperial Establishment where furlough has not been earned, the seven years' Indian service shall be subsequently made up, if required.
- (6) If furlough is taken within three years of return from special leave, the average emoluments of an officer will be calculated as if he had been on duty in India on his last appointment for the portion of the special leave included in the three years.
- (7) The special leave will begin from the date on which an officer is relieved of his duty, and will terminate on the date of his rejoining.
- (8) No temporary promotions will be made in succession to officers accepting these terms.
