16th APRIL 1883, No. 1125 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from F. BRANDT, Esq., Collector of the Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 4th April 1883, No. 28:—

As directed in G.O., No. 990, dated 31st March 1883, Public Works Department, I have the honor, with a view to the acquisition of the land therein specified, to submit a draft notification for publication in the *Fort St. George Gazette*.

2. In the order above quoted I am directed to proceed under Section 17 of Act X of 1870, "submitting meanwhile the declaration required under Section 6 of the Act."

3. I understand those directions to mean—and that the Act requires—that, as soon as the declaration now submitted has been published and the requirements of Sections 8 and 9 complied with, I shall proceed under Section 17. Till then, as it appears to me, I am not authorized to take possession; and this it appears to me is the view taken in the Government Order under which I am required to take action; but if the Government is of opinion that possession can be taken earlier, and wish that this should be done, I request that I may be so informed.

4. I observe that included in the plan as "shaded" there is a piece of ground on which stands a Hindu temple between the stream and Pykara road. It appears to me that it cannot be necessary to include this, and that the existence of this temple may perhaps have been overlooked; that there will probably be strong objections raised to the removal of this building. I would submit that, unless special reasons are known to have presented themselves for including this plot (not, I think, included in the proposal of the Executive Engineer), it would be as well to omit this plot from the declaration. The plot is I 26, measuring Acres 0 Cents 21.

NILGIRI COLLECTOR'S OFFICE,
COTACAMUND, 4th April 1883

No. 28

From H. Brandt Esq.
COLLECTOR OF
NILGIRIS.

To
THE CHIEF SECRETARY

TO GOVERNMENT,
Public Department,
Cotacamund

SIR,

As directed in G.O. No. 990 dated 31st March 1883, P.W. Department, I have the honour, with a view to the acquisition of the land therein specified, to submit a draft-judgment for publication in the Fort Saint George Gazette.

2. In the order above quoted I am directed to proceed under section 7 of Act I of 1870 "submitting meanwhile the declaration required under section 6 of the Act."

3. I am directed then to mean - and that the Act requires - that, as soon as the declaration is submitted has been published and the requirements of sections 8 and 9 complied with I shall proceed under section 17. Till then, as it appears to me, I am not authorized to take possession: and thus it appears to me is the view taken in the G.O. under which I am required to take action: but if the Government is of opinion that possession can be taken earlier, and wish that this should be done, I request that I may be so

informed.

1. I observe that included in the plan is "shaded,"
there is a piece of ground on which stands a Hindu temple,
between the stream and Lyhina pond. It appears to me
that it cannot be necessary to include this, and that
the existence of this temple may perhaps have been
overlooked. That there will probably be strong objections
raised to the removal of this building. I would submit
that unless special reasons are known to have prompted
themselves for including this plot (not, I think, included
in the proposal of the Executive Engineer) it would be
as well to omit this plot from the declaration.
(The plot is 1. 26. 27. 28. 29.)

I have the honor to be,

Very respectfully,
Your obedient servant,

J. H. M.
