READ—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 9th January 1883, No. 61 G.:—

In reply to your letter, No. 3320 W., of 15th December, asking for formal sanction to the introduction of the nomenclature "Surveyors" on the permanent establishment of the Public Works Department in Madras in certain grades and rates of pay, and stating that a scale of 16 Surveyors was included in the establishment forwarded by you for sanction with your letter, No. 1697 W., dated 19th July 1881. I am directed to point out that the practical result of your proposal being accepted would be to increase the number of the Upper Subordinate class, which was limited to 185 in the sanction communicated in Public Works Department letter, No. 1350 G., of 23rd September 1881. This the Government of India is by no means prepared to sanction; any Surveyors needed should, after budget provision has been made for them, be appointed temporarily under the provisions of paragraph 88, Chapter I, of the Public Works Code, and the appointments of the eight men reported to have been already made should, if they were made to the permanent establishment, be at once cancelled.
