No. 14 W.

Madras, th14 April 1883.

Sir,

With reference to the orders of the Government of India communicated with G.O. No. 870 W. dated the 16th. Ultimo, calling for proposals for any additional Establishment that may be needed in connection ^{with} the charge of the P.W. Accounts of Coorg, I have the honor to submit for the sanction of the Government of India a tabular statement embodying the proposed changes.

2. In this statement, the Accountant already in the Coorg Division, who, it is presumed, will continue in charge of the Divisional Accounts, is provided for; and an addition of one is made to the staff of the Central Office for the purpose of keeping the Accounts, books and correspondence, which it is understood will have to be kept quite apart from those of the Presidency. The pay of this additional Accountant will of course be charged to the Coorg Province.

3. You will observe from the statement that for the purpose of arriving at the numbers allowable in each grade
