Read—the following letter from T. Von D. HARDINGE, Esq., Acting District Judge of North Malabar, to the Chief Secretary to Government, Judicial Department, dated Tellicherry, 9th April 1883, No. 195 :—

In their Proceedings, No. 442, of the 18th February 1881, Public Works Department, the Government sanctioned an estimate amounting to Rs. 1,830, for additions and improvements to the District Munsif's Court at Kavváyi in the West Coast Division. This sanction has been registered as Provincial No. 85 B of 1880-81 and classified as Civil Buildings, Original Works

2. The Executive Engineer, Coimbatore Division, when requested to inform me on what date it was proposed to commence the work, stated in his letter, dated 7th ultimo, No. 116, that application for funds for this work would be made by the end of last month and the work put in hand in the present official year, if funds were allotted by Government. He has further informed me that, if the work were really emergent, the Government might be moved to allot funds as soon as possible.

3. The District Munsif of Kavváyi has now applied to this Court to obtain an early allotment of funds to admit of the work being taken in hand and completed during the approaching adjournment of the Court, as it would otherwise be impracticable to undertake the repairs before the midsummer vacation of 1884.

4. I have, therefore, the honor to venture to request that you will be good enough to obtain the sanction of Government for an early allotment of funds to admit of the work being undertaken as early as possibl
