GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From K. F. NORDMANN, Esq., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 20th March 1883, No. 2426.

I have the honor to request that the undermentioned Telegraph Signallers, employed in the Kurnool Canal Division, may be exempted from the General Test Examination, to admit of their pay being passed by the Examiner :—

	Salary.
	RS.
D. Joseph	30
M. Bakiem	20
J. Samuel Pillay	20

2. I also request that the slight modifications in the pay of the Anicut Superintendents, proposed in paragraph 4 of Superintending Engineer's letter, printed with G.O., No. 467 W., of 12th February 1883, may be sanctioned. The Examiner remarks that the above paragraph has not been taken up by Government, and suggests the case being again brought to their notice for orders.

3. The Executive Engineer reports that the employment of a Station Master at Cuddapah, and another at Kurnool up to end of March 1883, is necessary, as the traffic on the canal will probably continue to the end of March 1883. I solicit that this arrangement may be sanctioned, and an appropriation of Rs. 95 be made from the provision for temporary establishment to meet the charges.

The charge for March 1883 will fall on the next year's budget.

Memorandum, Educational Department, dated 12th April 1883.

ORDER—dated 20th April 1883, No. 1235 W., Public Works.

The Superintending Engineer's recommendation in paragraph 1 of his letter is sanctioned so far as regards the particular branch of the Public Works Department in which the men in question are now employed.

2. The other proposals of the Superintending Engineer are approved, and the Examiner of Public Works Accounts is authorized to pass the charge referred to in paragraph 3, for which it is now too late to make an appropriation.

Note by the Chief Engineer for Irrigation, dated 7th December 1882.

No. 196.

Order—dated 27th December 1882, No. 3435 W., Public Works.

The Right Honorable the Governor in Council sanctions the entertainment, on the permanent Establishment, of the individuals named by the Chief Engineer for Irrigation in the annexed statement as Clerks, Draftsmen and Conservancy Establishment in connection with the new Kurnool Canal Division. Under the peculiar circumstances of the case, they will be exempted from passing the Government examinations prescribed for their respective grades in the Public Works Department.

2. Mr. R. Harris and T. Cunniappah Moodelly, nominated to the Upper Subordinate Establishment, will be brought on the Temporary Establishment for the present, but will be permanently posted when vacancies occur.

3. As regards Mr. Wilks separate orders will issue.

No. 185.

READ—the following letter from Lieutenant-Colonel ROSS THOMPSON, R.E., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 30th January 1883, No. 1965:—

With reference to G.O., No. 3435 W., dated 27th December 1882, relating to the establishment for the Kurnool Canal Division, I have the honor to request that sanction may be given to the entertainment of two more Clerks, 4th Class, III Grade, on salary Rs. 25 each, one for the Canal Division Office and the other for the Lower Sub-division.

2. At present only one Clerk, 4th Class, III Grade, is sanctioned for the division against two as allowed by the scale of establishment for first-class divisions, approved in G.O., No. 1729 W., of 14th July 1881. A second Sub-divisional Clerk is also required, as there are two Sub-divisional Officers.

3. Chain Sing and P. Balasundrum Moodelly, who were employed as clerks under the Company, are proposed to be brought on the permanent establishment in filling up the above appointments, and I request that these men may be exempted from passing the prescribed examinations.

4. The Executive Engineer reports that M. Raghaviah Naidu, ordered to be appointed as Sub-divisional Clerk in G.O., No. 3435, above referred, is not an efficient clerk, and recommends in his place A. Nursimhooloo Naidu, late Head Writer in the Lower Sub-division. He also recommends the increase of Superintendent* Arnachallum's pay from Rs. 40 to 45, by a corresponding reduction in the pay of Rs. 70 allowed for Superintendent Abdul Rahman Sahib. I request that the proposed changes may be authorized.

* On the Conservancy Establishment.

No. 186.

ORDER—dated 12th February 1883, No. 467 W., Public Works.

The Superintending Engineer is at liberty to make up the office establishment of the Kurnool Canal Division to that allowed by the fixed scale for a first-class division with three sub-divisions.

2. The individuals named in G.O., No. 3435 W., were merely those whose appointments for some reason or other required the special sanction of Government, and were not intended to form the whole office establishment of the division.

3. The name of the Head Clerk was entered for appointment as Clerk, 3rd Class, III Grade, because it was understood to be the intention of the late Superintending Engineer to transfer him to another division and promote the Head Clerk of the latter to the Kurnool Canal Division, but it is open to the Superintending Engineer

to use his own discretion in the matter and appoint the individual named to the Kurnool Canal if he thinks proper.

4. The exemption of Chain Sing and Balasundrum Moodelly from the examination rules, with a view to their appointment to the permanent establishment, is sanctioned.

EDUCATIONAL DEPARTMENT.

ORDER—dated 9th April 1883, No. 195, Educational.

His Excellency the Governor in Council considers it desirable that applications for exemption from examinations qualifying for entrance into the public service, or for holding appointments for which certain special tests have been prescribed, should in future be dealt with in one Department of the Government Office. This will most conveniently be the Educational Department; and references on this subject should hereafter be dealt with finally in that Department.
