GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Lieutenant-Colonel R. C. STEWART, Officiating Quartermaster-General, to the Secretary to Government, Public Works Department, dated Fort St. George, 5th April 1883, No. 2776.—(Through Military Department).

Referring to G.O., No. 464 W., dated 10th February 1883, I am desired to forward, for your information, the letter, as per margin, from the General Officer Commanding Bangalore Division, with its enclosures (return requested), and to submit for your consideration that, as the cost of the pipes would, under ordinary circumstances, have to be met by the Public Works Department when carrying out works in connection with the Water Works, in which they would be made use of, there seems no reason why a debit on their account should now be made to the Military Department, their transfer to the Water Works having been suggested merely to secure them in anticipation of their being required hereafter.

Your Office Note, No. 883, dated 13th April 1883, to the General Superintendent, Public Works Stores, and which that officer has forwarded to me for instructions.

2. The cost of the stores supplied to the Ulsoor Water Works should, it is thought, be adjusted by the Executive Engineer, Presidency Division, in the usual manner, i.e., by a debit to Military Works; and in anticipation of your sanction to the charge being so adjusted, I have instructed the General Superintendent to debit the cost in transfer to the Presidency Division in the supplemental accounts for March 1883.

3. The whole of the papers referred by the General Superintendent are herewith sent. Please return to that officer such of the documents as do not belong to your file.
