Note of Remarks.

1. The accompanying estimate, Rs. 7,895, for the construction of a Deputy Collector's Cutcherry Mannargudy Tanjore District (including Rs. 135 compensation for land) has been prepared in consequence of the original estimate, Rs. 9,450, having been lost (vide letter no. 2095 of 25/2/83 from Col. H. R. Meade R. & Co.)
2. The estimate now submitted differs in both foundation and

and basement of main building from the standard design by the increase of a foot in depth in foundation and 6" in basement owing to the nature of soil.

3. The rates appear fair, and the abstract of estimate has been countersigned by the collector of the District.

4. Time required for construction not stated.
