GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From E. GIBSON, Esq., Acting Secretary to the Board of Revenue, to the Chief Secretary to Government, dated Madras, 16th March 1883, Mis. No. 2386.

ABSTRACT.—Suggesting the advisability of striking off a small number of extra copies of periodical and other reports likely to be of general interest for sale to the public.

ORDER—dated 11th April 1883, No. 748, Public.

It is observed that at present certain official reports and publications only are kept on sale at the Government Press, and advertised in a Supplement to the Gazette. The Government see no reason why all annual reports should not be included in this list.

2. They resolve accordingly to direct that this be done in future, and that attention be drawn from time to time to the list published in the Gazette by a brief advertisement in the local newspapers. The practice of issuing such reports *gratis* on application will be discontinued in future.
