GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from C. F. MACCARTIE, Esq., C.S., Postmaster-General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 26th April 1883, No. ¹¹⁰²/₅₃₁ :—

I have the honor to submit herewith a plan and estimate for Rs. 600 for the construction, by the Public Works Department, of a Post Office building at Wudagudiem in the Godavari District; also copies of my letter* to the Director-General of the Post Office of India and of his reply thereto, No. 317, dated 12th April 1883, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department in this circle for 1883-84, so that the work may be executed as early as possible.

* No. ¹²⁰⁴/₁₁₇₁, dated 8th March 1883.

ENCLOSURES.

Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, dated 8th March 1883, No. ¹²⁰⁴/₁₁₇₁.

I have the honor to forward a plan and estimate for Rs. 600 for construction, by the Public Works Department, of a Post Office building at Wudagudiem, and request that you will be so good as to accord your sanction to the measure.

The building at present occupied by the Post Office is a rented one, is unsafe and unsuitable for the requirements of the Post Office. It does not moreover afford accommodation for the Sub-Postmaster's residence. From inquiries made through the Revenue Department it appears that a suitable house cannot be procured on rent. It has therefore been found absolutely necessary to erect a suitable building. The measure will, if sanctioned, be executed from the Minor Works grant for 1883-84.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated Simla, 12th April 1883, No. 317.

In returning, duly countersigned, the plan and estimate received with your No. ¹²⁰⁴/₁₁₇₁ dated 8th March 1883, I beg to sanction the expenditure of a sum of Rs. 600 for the construction of a Post Office building at Wudagudiem debitable to the Minor Works grant of your circle for the year 1883-84.

MEMORANDUM.

The plan and estimate are submitted for the sanction of Government.

2. The Chief Engineer would, however, suggest that the basement be raised from 6" to 1' 6".

Note of Remarks.

1. The enclosed estimate and plan provide for the construction of a post office at Kudagudi at a cost of Rs. 600.
2. The walls of the post office are to be of brick in mud; those for the post master's accommodation are to be mud.
3. The scantlings of timbers are correct; but the scantlings of the rafters of the peons' and runners' rooms are a little below the standard, being perhaps of the light description of roof adopted.
4. Plan and estimate have been countersigned by postal authority.

I must say I don't like
the misnomer of brick in mud

necessary in the raising of the
