PUBLIC WORKS DEPARTMENT.

READ—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department, (General,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 23rd April 1883, No. 586 G. :—

The Accountant-General, Public Works Department, has brought to the notice of the Government of India that the Government of Madras has lately promoted Mr. Boyle, Assistant Engineer, 2nd Grade, to the 1st Grade, sub. *pro tem.*, notwithstanding that he has not passed the examination prescribed in Public Works Code, Chapter II, paragraphs 16 and 17, on the grounds that the examination in question is not compulsory in cases of temporary promotion. I am directed to point out that the action of the Madras Government is contrary to rule.

2. The object of the rule, making the passing of the professional examination compulsory before any promotion, temporary or permanent, can be given, is to make the young Engineers apply themselves early to the study of the practical part of their profession and so become efficient members of the department. This rule is very strictly acted upon in the Bengal Presidency, and I am to request that it may be strictly observed in future in Madras also.

ORDER—dated 9th May 1883, No. 1362 W., Public Works.

Communicated to the Examiner, Public Works Accounts, in supersession of G.O., No. 770 W., dated 9th March 1883.

2. The present ruling of the Government of India should be embodied in the Public Works Code.

3. Mr. Boyle having reverted to his substantive rank of Assistant Engineer, 2nd Grade, no further action is necessary in his case.
