Despatch from Secretary of State No. 12, Public Works, Dated 15th February 1883.

RESOLUTION.—In order to avoid any possible misconception of the orders issued in Circular XXI of 1882 the Governor General in Council wishes it to be distinctly understood that those orders are not to be taken as indicating a desire on the part of Government to encourage, simply in order to work up to estimates, expenditure which it might be otherwise desirable to postpone. All that is required is that such a careful forecast of the operations of the year may be made as to minimize the difference between Actuals and Estimates to the utmost extent possible.

ORDER.—Ordered, that the foregoing be forwarded to the Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department. The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg. The Resident at Hyderabad. The Resident at Mysore (through Foreign Department). The Agents to the Governor General for Central India, Rajputana, and Biluchistan. The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands. The Director General of Telegraphs. The Inspector General of Military Works. The Accountant General, Public Works Department. The Director General of Railways. The Director-in-Chief, Indo-European Telegraph. The Director, Persian Telegraph. The Deputy Director, Persian Gulf Telegraph. The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.

Administrations and Officers noted in the margin for information and guidance. Ordered also, that a copy be forwarded to the Finance and Military Departments for information.
