The humble Petition of
S. Rindurungum Woodley
Dresser attached to the
Kurnool Canal Lower Sub
Division Guddapah

Most Respectfully Sheweth

That, on the recom-
mendation of C. H. Wilks Esquire,
Executive Engineer Kurnool Canal
Division Government have been
pleased to confirm in their appoint-
ments several servants of the late
Irrigation Company's Service and
exempted them from the operation
of the U. C. S. Examination and
other Rules, and, Your Petitioner
regrets to state that he presumes
his name has not been sent up to
Government for confirmation, so if it
had been, Your Petitioner also would
have met with the same fortune.
Your Petitioner being that he is not
as yet confirmed in his appoint-
ment, he addressed Mr Wilks on the
Subject and was informed in reply
that "he was to be kept on until re-
lieved ^{by a} passed Dresser". On hearing this
Your Petitioner represented his
grievances to the Supg. Engineer
III Circle, which Officer replied
that "nothing can be done for him
as the services of competent medical
subordinaries have been secured
for the Canal Division."

That

Dresser attached to the
Mound Canal Lower Sub Drain
Cuddapah

1. The first thing I noticed
 when I stepped out of the
 car was the smell of
 fresh air. It was a
 relief after being stuck
 in traffic for so long.
 The sun was shining
 brightly, and the birds
 were singing. It felt
 like a new beginning.
 I took a deep breath
 and smiled.

I know nothing whatever of
this man's qualifications. He
must have competent medical
subordinates, but if the medical
officer under whom he serves has
deemed him competent,
I can see no objection to his continued
employment. I do not know
but it is necessary for us to
insist on being passed men, but
it would be well perhaps to refer
this point to the Surgeon General I.M.D.
who should I think be consulted
in regard to any new appointment.
