To the Secretary to the Government of Madras, Public Works Department.

Despatch from Her Majesty's Secretary of State for India, to the Government of India, dated 22nd December 1881, No. 433.

I have considered in Council your Military letter No. 372, dated 8th October 1881, in which you recommend, with reference to my Financial Despatch of 14th April 1881, No. 137, that in recognition of the useful service performed by officers and non-commissioned officers of the Royal Engineers whilst employed on famine relief duties, the officers should be allowed to count towards furlough a period of service, according to the time passed on such duty, not exceeding one year, and that the non-commissioned officers should be granted a bonus of three months' pay.

2. I sanction the adoption of the above proposals.

Endorsed by Military Department, dated 10th February 1882, No. 108 B (Special Famines).

Copy forwarded to the Public Works Department for information, in continuation of docket, No. 431 S B, dated 19th October 1881.

No. 103-A.

From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 17th March 1882, No. 479 G.

With reference to Public Works Department communication No. 324-45 G., dated 24th February, I am directed to request that recommendations may be obtained,

Royal Engineers who were employed on famine duties during 1877-79 should be allowed, in the case of the former, to count towards furlough a period of service, according to the time passed on such duty, not exceeding one year, non-commissioned officers being granted a bonus of three months' pay.

2. There has been some delay in verifying the famine service of officers and subordinates who were employed in this Presidency, owing to the requisite information not being available in the Examiner's Office. References have thus had to be made to divisional records and the results verified by the Examiner.

3. The appended statement contains the names of all officers, both of this Presidency and of other Provinces, to whom the concessions sanctioned by the Secretary of State would on a first view seem to apply.

4. It is observed, however, that the Resolution of the Government of India, No. 2087, dated 10th August 1878, as interpreted by their letter to the Government of Bombay, No. 40 P., dated 30th May 1882, restricts the concession of extra furlough to those officers who received no extra pay while employed on famine duty and whose emoluments did not exceed Rs. 600 per mensem. All officers from other Provinces would thus be excluded, as they received extra pay while at Madras, and the exclusion would extend to some of the local officers also, viz., those who drew more than Rs. 600 per mensem.

5. The concession of the bonus to subordinates would also apparently be restricted to those of the Madras Presidency, as all others employed here drew extra pay, having been allowed the pay of the next higher grade while on famine duty.

6. In the case of both officers and subordinates special recommendations seem called for.

7. It is not clear however to this Government whether the concessions allowed by the Secretary of State are intended by the Government of India to be restricted as indicated above. The complete list of officers and subordinates will therefore be forwarded to the Government of India for such orders as may be considered necessary.
