READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 9th May 1883, No. 191:—

In paragraph 3 of G.O., No. 261 W., of 23rd January 1883, an estimate was required, apparently from this department, for Item No. 69 of the Provincial Budget of 1883-84, "Road from Ootacamund to Naduvatam." But as the sum of Rs. 50,000 provided in that budget for the road has since been withdrawn in G.O., No. 492 W., of 14th February 1883, and the work in question is under the charge of the Local Fund Board, Nilgiris, I have the honor to inquire whether it is still considered necessary that this department should furnish an estimate.

14th May 1883, No. 1417 W., Public Works.

ORDER—dated 14th May 1883, No. 1417 W., Public Works.

The framing of the estimate will devolve on the Local Fund Board, who will carry out the work.
