Civil Works.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 2nd May 1883, No. 49 V.Z.:—

With reference to G.O., No. 3310 W., dated 14th December 1882, directing that the cost (Rs. 420) of temporary establishment sanctioned for the supervision of the work noted in the margin should be debited against the estimate of that work, I have the honor to state that the Executive Engineer sends in an estimate (Rs. 2,520) for a continuance of that establishment for two years, "in consideration of the locality and other circumstances connected with it."

	Estimate. Rs.
Constructing a bungalow with out-house for the Assistant Superintendent of Police at Jeypore	10,000

2. There are no doubt great difficulties in the way of constructing the building, but I have informed the Executive Engineer that it seems out of all reason that it should be two years in hand, and I forward herewith a supplemental estimate (Rs. 1,260) for the establishment for one year, and request you will be good enough to obtain the sanction of Government to the same.

3. In the Provincial Budget for the current official year an allotment of Rs. 6,000 has been provided for expenditure on the work in question.

ORDER—dated 18th May 1883, No. 1442 W., Public Works.

The estimate, amounting to Rs. 1,260, on account of establishment required for supervising the construction of the bungalow for the Assistant Superintendent of Police at Jeypore, is sanctioned as supplemental to the sanction accorded in G.O., No. 1260 W., of the 17th May 1882, for Rs. 10,000.

2. Rs. 6,000 is provided in the Provincial Budget for 1883-84 for completing the quarters for the Assistant Superintendent, and the Superintending Engineer will apply for such further funds as may be necessary.

3. This sanction has been registered as Provincial No. 31 W. of 1883-84 and classified as Civil Buildings, Original Works.
