Supy. Engr reports that
Inspector T. N. die Lingam
Pillay is well up in
Ghat work, and as
Sub Constructor Kunnur
has been transferred
from Vizagapatnam, it
may be advisable to
transfer the transfer
of the Inspector to the
Sixth Circle, and to let
him return to the V.
Gazaputnam Division, on
the termination of his
leave -

The S. E. VI will
probably want
Vizagapatnam in

him of Supervisor Alidul
Lateef Sahle, who has
been transferred from
the Sixth Circle to Tank
On -

Supervisor Vigney
was transferred from
the Nilgiris to Vizagapatnam
& very soon after got
sick & had to take
leave - He did very
little work in the
North, & would pro-
bably not be of
much use if sent
there again.

I agree. The transfer
may stand. Because a man is well
up in that work is no reason he
will not do well on Tank work too.
It would imply he is active and
intelligent, & in Tank maintenance
the quality of activity will be
important
