OFFICE NOTE.

To

The Chief Secretary to Govt.

Draft order in the
Public Dept. on letter from the
Executive Engineer Nilgiris
No 97 of 28th April 1883.

It is suggested that
an order in these terms
should issue from the
P. W. Dept., as it will in
some measure supersede a
ruling of the P. W. Code
(vide para: 1158) by which
the Executive Engineer has
apparently been guided.
The order of the 25th April
No 840 has no doubt been
taken as coming from the
Departmental Officer in

charge" and not from the
Govt.

2. If the Chief Secretary
approves, the Executive Engineer
will therefore now receive the
requisite instructions, for
his future guidance, from
the S. W. Dept.
