25TH APRIL 1883, No. 866, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Note in the Public Works Department, dated 16th January 1883.

ABSTRACT.—Bringing to the notice of Government instances of the salaries of certain employes in that Department being placed under attachment by decrees of the Small Cause Court, and recommending that such cases should be brought under the operation of the Insolvency Rules.

ORDER—dated 25th April 1883, No. 866, Public.

The Right Honorable the Governor in Council does not consider it expedient to go beyond the existing Rules respecting insolvents.

2. As to the case of a Court attaching half the salary of a public servant in execution of a decree, the Government see no reason for interfering. The Code of Civil Procedure provides such a course, as a species of privilege, in the case of a public servant, whereas, in the case of a person not in the service of Government, the entire salary is liable to attachment.

3. At the same time, Heads of Departments will maintain a careful watch over such of their subordinates as are found to be in embarrassed circumstances, such persons being obviously more liable than others to temptation or corruption.
