READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 17th May 1883, No. 203 W. :—

I have the honor to submit, for sanction, a plan and abstract estimate, amounting to Rs. 3,290, for constructing a straw and cow shed, with eight servants' quarters, proposed to be built at the Government House at Ootacamund.

2 Abstract Estimates.
1 Specification with Report.
1 Plan.

2. The estimate was prepared for providing the accommodation considered necessary by the Private Secretary, who has approved of and countersigned both the plan and estimate.

3. This work will find a place in the complete estimate for Government House now under preparation, but it is understood that sanction to go on with the work is urgently needed, and the plan and estimate are therefore now submitted separately.

ORDER—dated 28th May 1883, No. 1500 W., Public Works.

The plan and estimate, amounting to Rs. 3,290, for constructing straw and cow shed, with quarters for eight servants, at Government House, Ootacamund, is sanctioned as supplemental to the estimate for additions and improvements to the Government House.

2. The complete estimate for the additions and improvements will in due course be submitted for the sanction of the Government of India.

3. Rs. 60,000 is provided in the Provincial Budget Estimate for 1883-84 on account of improvements to Government House, against which grant will be charged the expenditure incurred on the supplemental estimate now sanctioned.

4. This sanction has been registered as Provincial No. 39 W. of 1883-84 and classified as Civil Buildings, Original Works.
