MAY.

Erratum

in *G.O., No.* 1007 *W., dated* 2nd *April* 1883, regarding the Water Regulation Establishment, Kistna Delta System.

Masulipatam, 15th May.

From,

The Superintending Engineer,
Northern.

To

The Chief Engineer,
for Irrigation,
Madras.

Sir,

I have the honor to bring to your notice that, on the Comparative Statement of the existing and proposed water Regulation and Navigation Establishment of the Kistna Delta System forwarded with my letter of the 31st October 1882, an error was by oversight, made as to the sanctioned Rate of Delta Superintendents, which error was carried into the Statement of proposed Establishment.

2. In G.O. No. 363 of the 15th January 82

number of Delta Superintendents sanc-
tioned was

3 ——— 1st Grade.
5 ——— 2nd Grade.
6 ——— 3rd Grade.

3. I had no intention of proposing an al-
teration either in the numerical Strength or
in the grading of the Delta Superintendents
but owing to the error before referred to, the
Scale of Delta Superintendents sanctioned in
G.W. No 107 W. of the 2nd April 93 was follow-

3 ——— 1st Grade:
3 ——— 2nd Grade
8 ——— 3rd Grade

4. I have the honor to request that this
may be corrected and that, the previously
existing Scale may be confirmed.

5. As no result will be so shewn in
Para 3 of my letter, should such the case
G.W. because the error in the number in the
various grades of Delta Superintendents

as common both to the existing and proposed
Scale of Establishment in the Statements
sent up by me.

6. I request that you will be good enough
to authorise the Examiner to pass pay ac-
cording to the old Scale from the 1st April
as no change whatever has been made in
the personnel of the Delta Superintendents

7. I regret that the error in the original
Statements should have passed unnoticed
by me.

I have the honor to be,
Sir,
Your most obedient Servant
J. W. Rundall
Superintending Engineer,
