2. In reply I am to state that the Government of India concur in the views expressed by the Commander-in-Chief, Madras, on the subject, and accordingly the sanctioned armament of heavy guns for the sea-face of the fort is reduced from six to five.

3. I am to inquire whether, in consequence of this change in the sanctioned scale of armament, the Government of Madras consider it would be desirable to increase the number of machine guns for the defence of the sea-face.

No. 330. ORDER THEREON, 22nd May 1883, No. 2931.

The reply of the Government of India communicated to His Excellency the Commander-in-Chief, with the request that Government may be favored with His Excellency's opinion on the point raised in para. 3 of their letter.

Read the following papers :—

No. 327. *From Brigadier-General GODFREY CLERK, Adjutant-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department ; dated Fort St. George, 12th February 1883, No. 356.*

With reference to para. 2 of O.G., No. 600, of 30th ultimo, I am directed by the Commander-in-Chief to state that the reason for recommending the abandonment of the project to mount an $\frac{80}{68}$-pounder R.M.L. gun on the flagstaff redan of Fort St. George is contained in letter, No. 425, of 17th ultimo, from the Officiating Quartermaster-General, recorded in Proceedings of Government, Public Works Department, No. 242-W., of 20th idem, viz., "His Excellency having carefully inspected the centre redan of the sea-face of Fort St. George, and having seen, what he did not know previously, that part of the redan is taken up as a reservoir for water, the walls of which would doubtless be seriously injured were a heavy gun to be fired from the redan."

2. I am to add that Sir Frederick Roberts does not consider it necessary that the gun should be mounted on the sea-face at all.

No. 328. No. 983.

Copy of the above forwarded to the Secretary to the Government of India, Military Department, for the information of the Most Honorable the Governor-General in Council, with reference to this office No. 4748, dated 6th September 1882, and previous correspondence.

Read—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 10th May 1883, No. 592 :—

In G.O., No. 242 W., of the 20th January 1883, it is ordered that the Flagstaff in Fort St. George be replaced in its former position. But in G.O., Military Department, No. 600, of the 30th January, the Government await a report from the Adjutant-General of the reasons for recommending the abandonment of the project to mount a heavy gun on the Flagstaff redan. This latter Order is "recorded" in the Public Works Department in G.O., No. 428 W., of the 8th February 1883.

2. I have an estimate of Rs. 750 for refixing the Flagstaff, but I have the honor to request I may be instructed whether the work shall be carried out now, or if I ought to wait in case further orders are received from the Government of India.
