Remarks in regard to the percentages of Establishment charges on the expenditure in connection with Irrigation Works, being an extract from the Note which accompanied the Irrigation Budget Estimates for 1883-84.

25. The statement marked D, which has been prepared with reference to the Government of India letter No. 381 A.G., dated 30th November 1882, communicated with G.O., No. 3324 W., dated 15th December 1882, shows the following rates of percentage which the charges for establishment bear to the expenditure on works and repairs :—

—	Actuals for 1881-82.	Regular Estimate for 1882-83.	Budget Estimate for 1883-84.
Imperial.			
Productive Public Works	38·84	51·37	43·17
Irrigation and Navigation, Agricultural Works.	28·68	20·42	17·69
Provincial.			
Irrigation and Navigation Works	27·49	27·02	26·99

The establishment charges are not based on the cost of establishment actually employed on the works, but on fixed rates of percentage calculated on outlay and revenue up to the end of 1881-82 ; the rate of percentage on expenditure was 25, and in the case of Productive Public Works, Capital Account, the charge was calculated on the actual expenditure on works, exclusive of land compensation, and in the case of other works on the grant or outlay, whichever was greater. The cost of the following establishments was also charged to Irrigation :—

(1) Chief Engineer for Irrigation and his Establishment.
(2) Temporary Survey Establishment.
(3) Water Regulation, Navigation and River Conservancy Establishment.
(4) Special Revenue Investigation Establishment.

From the 1st April last the rate of percentage on outlay has been reduced from 25 to 23, and the following rates of percentages on revenue have been fixed in lieu of the cost of the special establishments :—

10 per cent. on revenue collected in the Public Works Department.
6 per cent. on revenue collected in the Revenue Department from the Productive Public Works.

The percentage charge is not calculated on outlay for repairs to Minor Irrigation Works under the charge of Collectors, and therefore the average rate of establishment charges for 1882-83 and 1883-84 for Irrigation and Navigation and Agricultural Works is less than 23 per cent. The cost of establishment actually employed in the Project Divisions for the investigation of projects is charged to "Protective Public Works," and the charge cannot be compared with *works* outlay, as the projects are still under investigation.

* This amount excludes expenditure on Military Works in British Burmah classified as Provincial in the Accounts for 1881-82, but shown under Imperial for purposes of comparison in the Estimates.

2. The Coorg Incorporated Local Fund Budget Estimate for Public Works Officers erroneously includes the provision for "Public Works in charge of Civil Officers." The figures under this head should not find a place in the Public Works Department Budget Estimates submitted by Local Governments and Administrations to the Government of India: these estimates should be confined to the transactions under Public Works Officers and under *Civil Officers acting as Public Works disbursers*. The transactions appertaining to "Pubic Works in charge of Civil Officers" are carried on without the cognizance of the Public Works Department, and the estimates and accounts belonging thereto are dealt with exclusively in the Civil Department, the total amounts and actual transactions only being advised annually by the Civil Account Officers to the Accountant-General, Public Works Department, for incorporation in the Public Works Estimates which that officer is required to submit to the Department of Finance.

3. With respect to the extra establishment provided in the Madras Estimate for 1883-84 on account of the "Tank Maintenance Scheme," it is observed that the grant for 1883-84 in connection with this scheme amounts to Rs. 1,50,000 only, and that the establishment provided appears therefore susceptible of reduction. The Government of India accordingly desires that in the Final Issue of the Budget Estimate this establishment be provided for in proportion to the outlay to be incurred, that it be entered therein as *temporary* establishment, and that such entry be not regarded as authority to entertain such establishment without the sanction of competent authority in each case.

Order—

Ordered that the foregoing be forwarded to the Local Governments and Administrations noted in the margin for information and guidance, with the request that thirty printed copies of each of the Budget Estimates for Provincial Services and Incorporated Local Funds, prepared for the precise amounts adopted by the Government of India, may be forwarded so as to reach the Government of India by the 1st May next.

Order—dated 17th April 1883, No. 1138 W., Public Works.

Ordered that the Final Issue of the Provincial Service Budget Estimate for 1883-84 be struck off, and thirty copies, as usual, be forwarded to the Government of India.

2. The necessary alterations have been made with reference to the Regular Estimate as to conform with the figures given in the statement embodied in paragraph 1 of the Government of India Resolution read above. The corrections necessary under Establishment, with reference to paragraph 3 of the Resolution, have also been carried out in Part III of the budget.

3. The total cost of the establishment, after deducting the probable savings on account of absentees on furlough, stands at Rs. 21,87,356, or Rs. 1,46,749 in excess of the provision of Rs. 20,40,607 provided in the Budget for 1882-83. The deduction on account of contributions, calculated in accordance with paragraph 14 of the Government of India Resolution, No. 53 A.I., dated 12th March 1883, amounts to Rs. 12,36,622, leaving Rs. 9,50,734 as the cost of establishment debitable to Provincial Funds, against Rs. 7,59,666 shown in the Budget Estimate for 1882-83.

4. The provision made in the Preliminary Issue of the Budget on account of Items Nos. 16, 48, and 67 have been withdrawn, as the grants are not now required, and the grant assigned for Budget Item No. 42 has been reduced to Rs. 24,000 at the request of the Superintending Engineer.

5. Ordered that a copy of these Proceedings be forwarded to the Government of India.

2. The Coorg Incorporated Local Fund Budget-Estimate for Public Works Officers erroneously includes the provision for "Public Works in charge of Civil Officers,". The figures under this head should not find a place in the Public Works Department Budget-Estimates submitted by Local Governments and Administrations to the Government of India: these estimates should be confined to the transactions under Public Works Officers and under *Civil Officers acting as Public Works disbursers*. The transactions appertaining to 'Public Works in charge of Civil Officers' are carried on without the cognizance of the Public Works Department, and the estimates and accounts belonging thereto are dealt with exclusively in the Civil Department, the total amounts and actual transactions only being advised annually by the Civil Account Officers to the Accountant General, Public Works Department, for incorporation in the Public Works estimates which that Officer is required to submit to the Department of Finance.

3. *With respect to the extra establishment provided in the Madras estimate for 1883-84 on account of the "tank maintenance scheme," it is observed that the grant for 1883-84 in connection with this scheme amounts* to Rs. 1,50,000 only, and that the establishment provided appears therefore susceptible of reduction. The Government of India accordingly desires that in the final issue of the Budget-Estimate this establishment be provided for in proportion to the outlay to be incurred, that it be entered therein as *temporary* establishment and that such entry be not regarded as authority to entertain such establishment without the sanction of competent authority in each case.

ORDER.—Ordered, that the foregoing be forwarded to the Local Governments and Administrations noted in the margin for information and guidance, with the request that 30 printed copies of each of the budget-estimates for Provincial Services and Incorporated Local Funds, prepared for the precise amounts adopted by the Government of India, may be forwarded so as to reach the Government of India by the 1st May next.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam and Coorg.
The Agents to the Governor General for Central India and Rajputana.

Ordered also, that a copy be forwarded to the Government of India, in the Department of Finance, and to the Accountant General, Public Works Department, for information.
