2ND JUNE 1883, No. 1538 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 23rd May 1883, No. 38 W.:—

I beg to represent that much inconvenience is from time to time felt in this office for want of more general attention to the existing rule (Code, paragraph 1109) that copy of every abstract of sanctioned estimate should be forwarded to me by the sanctioning authority at the time of sanction.

2. I have been getting such copy sometimes from Superintending Engineers, often from Executive Engineers, and occasionally not at all.

3. On one occasion lately I received copy of the estimate of a component part of a Productive Public Work (sanctioned by the Secretary of State) both from the Superintending Engineer and Executive Engineer, and I found on examining these that they differed considerably in detail, rendering them both quite useless for audit purposes.

4. I would suggest that general attention be called to the above rule. Estimates sanctioned by the Secretary of State or by the Government of India should, I think, be communicated to me from your office.

ORDER—dated 2nd June 1883, No. 1538 W., Public Works.

Communicated to Superintending Engineers for attention.

2. The abstracts of estimates for projects estimated to exceed Rs. 2,500 and for all new supplies of tools and plant should invariably be submitted to the Chief Engineer in duplicate. Attention to this rule will admit of one copy of the abstract being always furnished to the Examiner, Public Works Accounts, from this office.
