4TH JUNE 1883, No. 1548 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 23rd May 1883, No. 97 M.D. :—

I have the honor to bring to your notice that, under paragraph 1229 of the Code, I fixed the rent to be paid by the Sub-Collector at Dindigul at Rs. 65 a-month and informed the Collector I had done so.

2. I am now in the receipt of G.O., No. 1466 W., of 21st May, forwarding G.O., No. 1937, dated 11th May, in the Revenue Department, on Proceedings from the Board of Revenue sanctioning their request that the rent of Rs. 65 (said to be proposed by me) should be sanctioned.

3. I venture to point out that this order was not necessary; the Code lays on me the disagreeable duty of fixing these rents, which in this case I have done, and therefore no further order was required under the Code.

4. I request to be informed if, in future, I am to fix rents as laid down in the Code, or if I am only to propose them for the approval of the Board of Revenue or any other Department and for the sanction of Government.

5. I submit that it would be best for the Code ruling to be adopted, viz., for me to fix the rents finally; of course, should any officer consider himself aggrieved, he will be at liberty to appeal to Government.

ORDER—dated 4th June 1883, No. 1548 W., Public Works.

The views expressed by the Superintending Engineer are generally correct, but the Government consider that no special ruling on the subject is required. The attention of the Superintending Engineer is called to the first sentence of Code, paragraph 1229, which states that the rent to be recovered, when not fixed by a particular order of Government, shall in each case be fixed by the Superintending Engineer of the Circle.

2. In the particular case in point, however, the rent having already been fixed by the Superintending Engineer, it is considered in the Public Works Department that the sanction given in Revenue Department Order, No. 1937, dated 11th May 1883, was not necessary.
