4TH JUNE 1883, No. 1549 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following letter from Major S. C. CLARKE, R.E., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 26th May 1883, No. 578:—

I have the honor to submit an estimate for constructing a Sub-divisional Officer's lodge at Cumbum, which is very much needed, for the existing building (to be maintained as an inspection-house) which the Sub-divisional Officer now occupies is too small to accommodate any subordinate with a family, and constructed on an unhealthy site.

2. It is of paramount importance that such men should be carefully housed to save them, as far as may be practicable, from the constant attacks of sickness that now so often paralyse them and their families in that part of the Kurnool District.

3. It is hoped that the Government will see the necessity and advisability of giving the Public Works Department Subordinate of Cumbum as good house accommodation as possible, for which a reasonable monthly rent will be charged, viz., about 6 per cent. on the actual value of the building.

ORDER—dated 4th June 1883, No. 1549 W., Public Works.

The estimate, amounting to Rs. 3,000, for the construction of a Public Works Department Sub-divisional Officer's bungalow at Cumbum, in the Kurnool District, is sanctioned for execution when funds are available.

2. The amount of rent to be paid by officers and subordinates of the department will be fixed in accordance with paragraphs 1229 and 1230 of the Public Works Code.

3. This sanction has been registered as Provincial No. 43 W. of 1883-84 and classified as Civil Buildings, Original Works.

4. The Superintending Engineer, when the work is put in hand, will consider whether more ample provision for ventilation than what is shown in the plan is not desirable in the climate of Kurnool.
