GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Establishment.

READ—the following letter from C. VINCENT, Esq., Officiating Consulting Architect to the Government of Madras, to the Chief Engineer for Irrigation, dated Chepauk, 14th May 1883, No. 174 —

I have the honor to bring to your notice that I am informed by the Examiner that, under Exception (3), Section 36, of the Acting Allowance Code, I am entitled to draw an extra allowance of Rs. 100 a-month for holding charge of the D. Project Division, in addition to my duties as Officiating Consulting Architect, provided Government be pleased to sanction the same.

2. I should be greatly obliged, therefore, if you would recommend the sanction to Government. The charge of the D. Project Division in addition to my other duties may fairly be described as temporary, as the submission of the Pálár estimates, which will close my work in that division, will not be delayed, I hope, beyond a month from the present date. I am now awaiting Mr. Wilson's financial statements.

No. 36 P.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommendation that the requisite sanction may be obtained to allow Mr. Vincent to draw the charge allowance claimed.
