No. 7284

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

To

The Secretary to the Government of Madras
Public Works Department.

Simla 18 May 1883.

Sir,

In reply to your No 1266 W dated 30 April 1883, submitting a letter from Mr Norris, Assistant Engineer, giving his reasons for not now wishing for a transfer to the Railway Branch, I am directed to state, that Engineers of the Public Works Department, transferred to the Superior Railway Revenue Establishment, retain all the rights they have in the Public Works Department, and if retransferred at any subsequent period to the Engineer Establishment, for the good of the public service, they are entitled to a rank corresponding to that which they might have attained had they remained on the Engineering Establishment. As this explanation would appear to answer Mr Norris' recent objection to the

transfer

transfer for which he originally applied, I am *Ill. C. 4351*
 directed to request that his services may be
 at once placed at the disposal of the Government
 of India and that he may be directed to report
 himself to the Manager Rajputana Malwa
 Railway at Ajmere, with a view to his being *Recd 25/5/83*
 eventually appointed to ^{the} Locomotive Department
 of the Railway Branch -

2. I am to add that he will not be finally
 transferred to the Revenue scale until, after a
 period of training, he has shown that he is
 qualified to take up the duties of Assistant
 Locomotive Superintendent.

I have the honor to be

Sir

your most obedient servant
