GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 94.

READ—the following letter from Lieutenant W. L. C. BADDELEY, R.E., General Superintendent, Public Works Stores and Workshops, to the Deputy Chief Engineer, Public Works Department, dated Madras, 31st May 1882, No. 386 S. :—

I have the honor to forward, herewith, a list of unserviceable levelling instruments returned into stores from the Public Works Divisions, which I recommend may be sent to England for repair, and request that the sanction of Government may be obtained for sending them to the India Store Department for that purpose.

2. I have retained a sufficient number of various descriptions of instruments for repair in the shops so as to keep the Mathematical Instrument Department in full work for several months. Those recommended to be sent to England are so much out of order that the small staff of workmen here could not repair them satisfactorily within a reasonable time.
