B.

On examining the
denny sheet I found
that the entry against
CK. was struck out
but while that against
B. was allowed to
stand. The inference
drawn by the Record
Section therefore was
that the paper was
turned to B. by CK.
I have not the slightest
doubt that you got
the paper, but it

The record kept I think
failed in not striking
out the entry against
B.C. rather than
that C.R. gave it to
B. The paper in
question was not
known given to B. but
to B.C. and when
it was given to B.C.
was not here but
at City -

With reference to your
letter in C. No 4290 of 23 to the
effect that B states that
the 1294 W of S. & 23 "is not
"same with him, but it
"cannot be found in the
"books". I find that the
"books were given to
"Government records on
the 24th July 1882 on
21 days after it was
said to be given to B.
It must therefore have
returned it to the records
