GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

From J. T. FOWLER, Esq., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 19th May 1883, No. 3468.

In G.Os., Educational, dated 21st June 1881 and 15th June 1882, Nos. 202 and 93-N, respectively, Government sanctioned the payment of an advance of one month's pay to each of the passed Military students of the Civil Engineering College when about to be appointed Apprentice Overseers in the Public Works Department. With a view to dispense with the necessity of applying annually for sanction in these cases, the Principal of the Civil Engineering College proposes, as will be seen from his letter enclosed, that an advance of one month's salary, to be recovered in six monthly instalments, be paid to all successful students of the College on appointment to the Public Works Department. As this proposal meets with my approval, I have the honor to request that the sanction of Government be obtained for the same.

Enclosure.

From Lieutenant H. D. LOVE, R.E., Principal of the Civil Engineering College, to the Director of Public Instruction, dated 18th May 1883, No. 210-C.

I have the honor to request that sanction may be accorded to the advance of one month's salary, to be recovered in six monthly instalments, to students of the College on appointment to the Public Works Department as apprentices. This general sanction will dispense with the present necessity of applying annually for similar sanction in the cases of individuals.

2. The favor of early communication of sanction is requested, as the next advances will probably be required about 1st June.

Order—dated 23rd May 1883, No. 316, Educational.

The proposal is sanctioned.
