No. 128.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 10th January 1883, No. 12 :—

I have the honor to submit, herewith, a letter * received from the Executive Engineer, Coimbatore Division, bringing to notice the difficulties under which his office is now carrying on its duties owing to insufficient establishment, and requesting sanction for the employment of—

* No. 285 of December 1882.

for six months, to enable him to have his records put in order and bring up arrears of current work.

2. This case of the Coimbatore Division, with which the West Coast Division was some months since amalgamated, with records in a very unsatisfactory state, is of course an exceptional one; and I consider the temporary establishment asked for most necessary to enable the Executive Engineer to relieve himself of present arrears, and get his office work into proper order.

No. 129.

ORDER—dated 13th January 1883, No. 134 W., Public Works.

The temporary establishment proposed to be entertained to bring up arrears in the Coimbatore Division is sanctioned for a period of six months, at the end of which a report should be submitted showing what has been effected by this establishment.

2. A specific appropriation of funds will be made on the Superintending Engineer reporting the amount required during the current official year.

3. This sanction has been registered as Provincial No. 53 W. of 1882-83 and classified as Establishment.
