With reference to Proceedings of Government in the Financial Dept, marginally noted, sanctioning certain amounts incurred on account of Famine Relief, which are reported by the Examiner of Public Works Accounts not to have been paid during 1878-79, I have the honor to enquire whether they are to be treated as additional grants from Provincial Funds for Provincial Public Works in the current year.

Order thereon, 29 August 1879 No 1664.

It is observed that most of the sanctions are for charges already incurred, and should be debited to the years in which they were incurred, and to the Famine Head of Accounts.

2. Fresh charges incurred this year

year must be against Provincial Funds.

3. The sum of Rs 62 sanctioned
in G.O. No 939 dated 16 May 1879, seems
the only charge appertaining this
year, and it does not appear that
the Public Works Department would
have anything to do with it.
