READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 7th June 1883, No. 45 W. :—

This Office No. 14 A., dated 5th May 1883.
Accountant-General's Public Works Department No. 322 E., dated 31st May 1883.

I have the honor to forward, herewith, copies of the correspondence noted in the margin, and request that the question therein noted may be referred to the Government of India for favor of orders.

ENCLOSURES.

Copy of letter from the Examiner, Public Works Accounts, Madras, to the Accountant-General, Public Works Department, No. 14 A., dated 5th May 1883.

I have the honor to request the favor of your informing me what is the intention of Section 29 of the Civil Travelling Allowance Code, which says "a daily allowance may not be drawn for a halt of more than ten days at one place."

2. It may happen that an officer on tour and away from head-quarters halts at a place, and is, for some reason, delayed there for, say, twelve days. He prefers a claim for daily allowance for ten days only, and lets the extra two days go forfeit.

3. Is he entitled to daily allowance for the ten days and to no allowance for the excess of two days? Or does the fact of the halt extending to twelve days at once bar him from daily allowance for the entire period?

4. Under the old rules a halt of fifteen days at any place constituted that place temporary head-quarters, and thereby debarred the passing of any travelling allowance for the whole period of halt. The present rules do not admit of the same argument.

Copy of letter from the Accountant-General, Public Works Department, to the Examiner of Public Works Accounts, Madras, No. 322 E., dated 31st May 1883.

In reply to your letter, No. 14 A., dated 5th May 1883, I have the honor to state that the question therein raised should be referred through the Local Government, to the Government of India, under Section 5 of the Travelling Allowance Code.
